About Library

We have centralized library system which supports the teaching and learning programs in the college with its excellent collection of textbooks, reference books, general reading books, journals & magazines, CD ROMs, eBooks and other type of reading and study materials including subject handbooks, manuals and datasheets. The objective of the library is to increase the learning and research efficiency in the institution with its printed and online resources and participate actively in fulfillment to the educational mission of the institution. We have facility of providing books from the Book Bank to support the students from rural and semi-urban areas.

The library has rich collections in its domain subjects with wide prospects of information. It has a good collection of books in area of interest i.e. Communication skills, science and Technology.
