ABOUT IPR WORKSHOP

About the workshop:

Pune District is one of the developing cities in Maharashtra state and achieving economic growth in competitive technology. At the same time this district has immense historical and biological value. Taluka Junnar contributes more shares in these developments. Intellectual Property Rights (IPR) play important role in Biodiversity Act and resource development. Thus a culture to make aware of development of technology to relevant users is essential. This has become more pronounced in the globalized economy with international agreements and obligations in the fields of IPR in the WTO regime. Huge information is to be provided while filing a patent application in order to ensure full disclosure of the invention. To enhance motivation to disseminate scientific and technological information which in turn stimulates research and development for improvement of the quality of life.

Objective of the workshop :

- To create awariness of research
- To create awareness of IPR
- Information regarding Biodiversity and IPR
- How to file patent

OUR VISION :

"To be the best rural institute for academic excellence, high morals and value for the welfare and prosperity of society as well as nation"

OUR MISSION :

"To provide value based and skill oriented education to the rural students to make them self-reliant, ethically strong and responsible citizens of our country"
